In re: *Approval of the Amendments to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Global Connection Inc. of America Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*

Docket No. _____

**PETITION FOR APPROVAL OF THE
AMENDMENTS TO THE INTERCONNECTION AGREEMENT
NEGOTIATED BETWEEN BELL SOUTH TELECOMMUNICATIONS, INC.
AND GLOBAL CONNECTION INC. OF AMERICA
PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996**

COME NOW, Global Connection Inc. of America ("Global Connection") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendments to the Interconnection Agreement dated April 9, 2003 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, Global Connection and BellSouth state the following:

1. Global Connection and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Global Connection. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on July 7, 2003.

2. The parties have recently negotiated two Amendments to the Agreement. The first Amendment provides for additional port USOCs for Call Scope Changes and PBX. The second Amendment provides for ON/OFF Premises loop/port combination offering and additional port USOCs to accommodate ordering of Customized Code

Restriction USOC CREX7 with loop/port combination service. Copies of the Amendments are attached hereto and incorporated herein by reference.

3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, Global Connection and BellSouth are submitting their Amendments to the TRA for its consideration and approval. The Amendments provide that either or both of the parties are authorized to submit the Amendments to the TRA for approval.

4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendments between BellSouth and Global Connection within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. Global Connection and BellSouth aver that the Amendments are consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

Global Connection and BellSouth respectfully request that the TRA approve the Amendments negotiated between the parties.
